TAKE NOTE

We are facing some non- responsible residents disposing furniture, fitting & unpacked bulk rubbish at common area. This action creates eye soring environments and also will lead to unsafe condition for the residents (eg: fire hazard or dengue breeding site)

We at management recommending residents with Moving In, Moving Out or replacing furniture activity to arrange for disposal their rubbish.

The residents are advice to contact our bulk rubbish collecting contractor to dispose personal belonging. If we found or identified residents dispose bulk rubbish illegally, we will take stern action by charge back the entire cost to the respective resident and owners.
