

Desa Impiana

Community Watch

PLEASE DO NOT PARK AT CAR WASH BAY

Cars left unattended at the **car wash bay** will be **clamped** immediately and a **RM50 fine** will be imposed to release the clamp.

No exemption will be given as this is an abuse of other residents' rights to use the car wash facility.

This measure is to prevent the car wash bay from being used as a free parking lot by errant residents and visitors.

The car wash bay is part of the facilities provided to the Desa Impiana community and should be shared by all.

Your cooperation is much appreciated.

Thank you.
